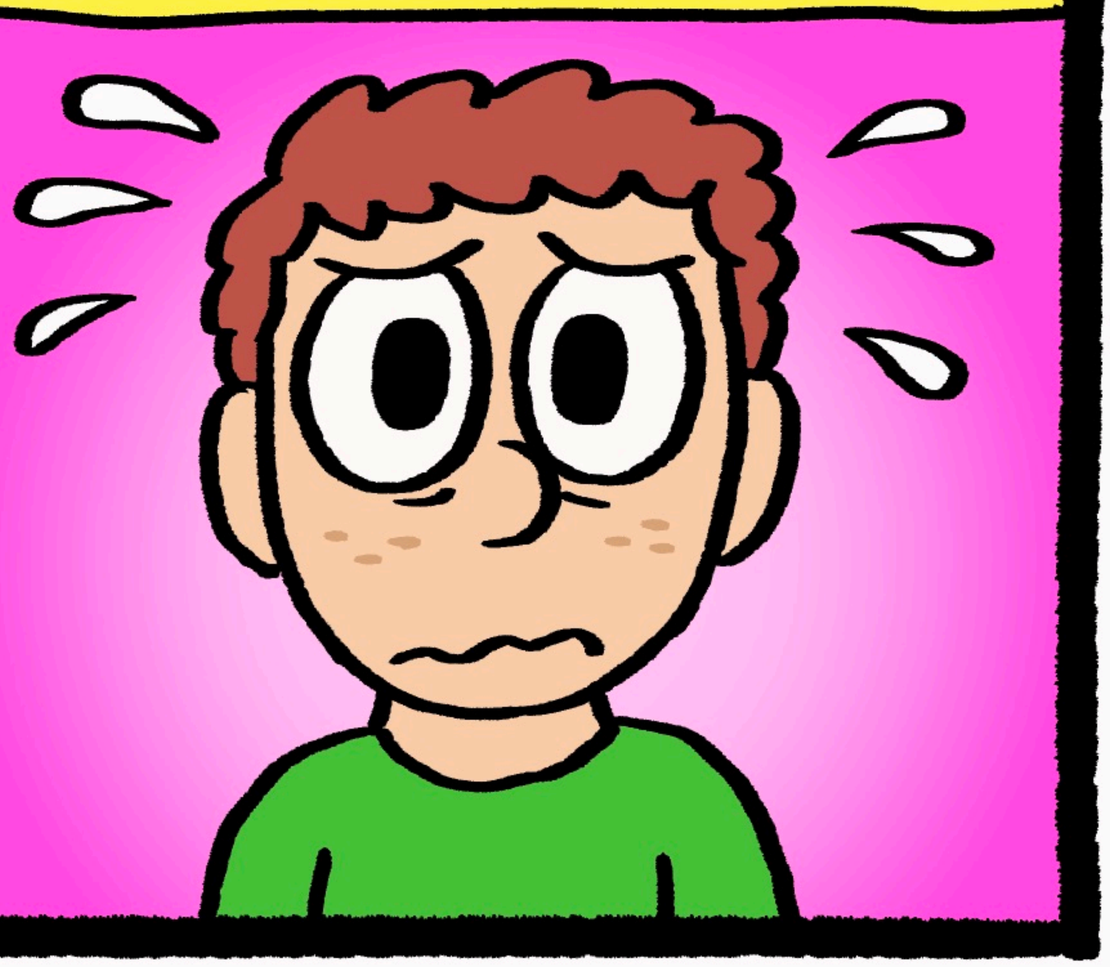
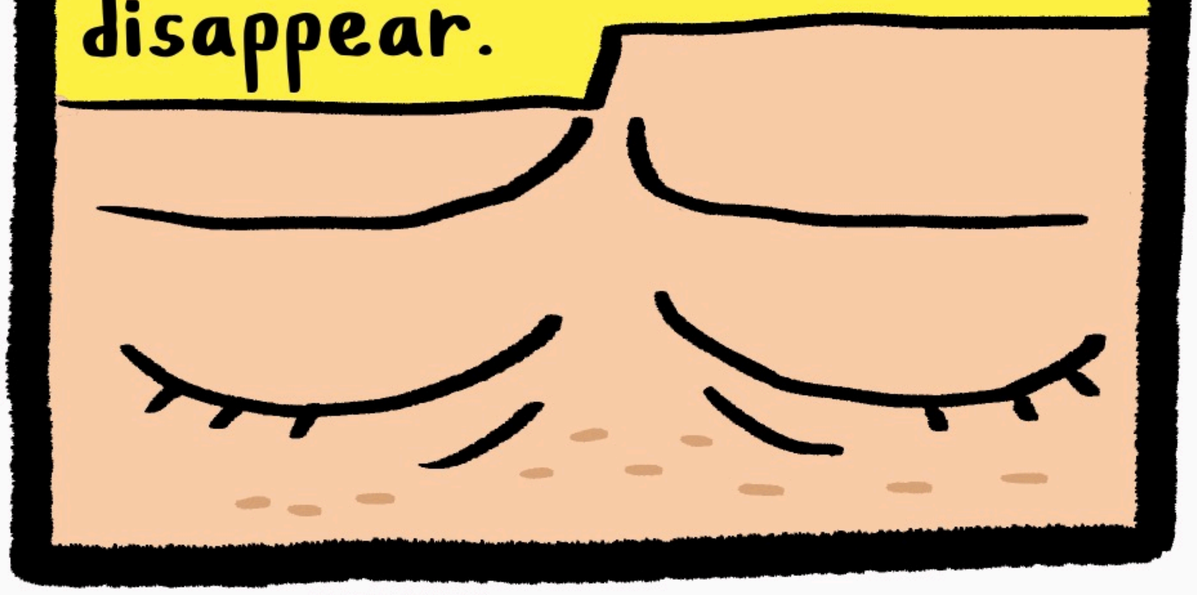
When I was a kid, I would obsess over a very specific hypothetical.



I often worried that the universe was an illusion that only existed when I was looking at it, so if I turned my head or closed my eyes, everything I wasn't looking at would disappear.



This concept terrified me because it would mean that reality was a trick that my mind was playing on myself when, in actuality, I was completely and totally alone.

Hey Jenny, I was wondering if you'd want to go see the new Twilight movie this weekend? I heard that it's actually pretty good!

You think Twilight looks FUN?! IT'S A MOVIE FOR STUPID BITCHES AND HOMOS!!

I dunno, Mackenzie Williams liked it...

HA HA HA! ONLY A TOTAL DUMBASS LIKE MACKENZIE WILLIAMS WOULD WATCH THAT CRAP!!! SHE'S SUCH A MORON!!

So I guess you aren't interested, huh?

OF COURSE NOT. Jesus, if we weren't friends, who KNOWS what kind of horrible decisions you might make!

VACATION BABIES!

How are you feeling today on a scale from one to ten?

Uh... a seven, I guess?

That's good. That's very good.

Is it even possible to give your emotions a number rating?

At the end of your last counselling session we touched on how your father's passing has affected your relationship with your mother. Do you wish to pursue that line of thought further?

Yeah, sure... I think we're both still really sad about what happened.

I shouldn't tell him that I feel nothing when I think about my dad's suicide.

He'd probably think I'm a sociopath.

My mom is pretty stressed out, but I understand why. Now she has to take care of me all by herself. Grandma helps us out with stuff sometimes, but Mom does most of the work.

Do you ever help out around the house?

I do the dishes, sometimes take out the compost, and clean my room. My mom says I need to learn how to cook, though.

And she's absolutely correct! It's necessary for a young man your age to start acquiring culinary skills.

I know, but sometimes I get really nervous when I have to do stuff like that. I don't think I'm very good at cooking.

Now, now, don't be so defeatist. That's your anxiety talking.

Sorry.

My mom and I actually got into a fight over dinner yesterday. I accidentally burnt one of her pans, and she got a little bit upset.

She got REALLY upset. Or maybe she didn't, and I was overreacting?

And how did that make you feel?

The things she said made me feel absolutely horrible, and an evil part of me wanted to physically hurt her. Oh god, defintely don't tell him that.

It made me feel kind of anxious and angry, but we apologized and made up.

Yeah, I apologized, but she didn't. She never apologizes.

My mom is just a human being like me, and it's ok if she gets upset if I mess up. Honestly, I think my anxiety tricked me into thinking she was angrier than she actually was, y'know?

That's a very mature observation, Chris! You are a truly intelligent young man.

Gee, thanks!

I'M SUCH A FUCKING PSYCHOPATH.

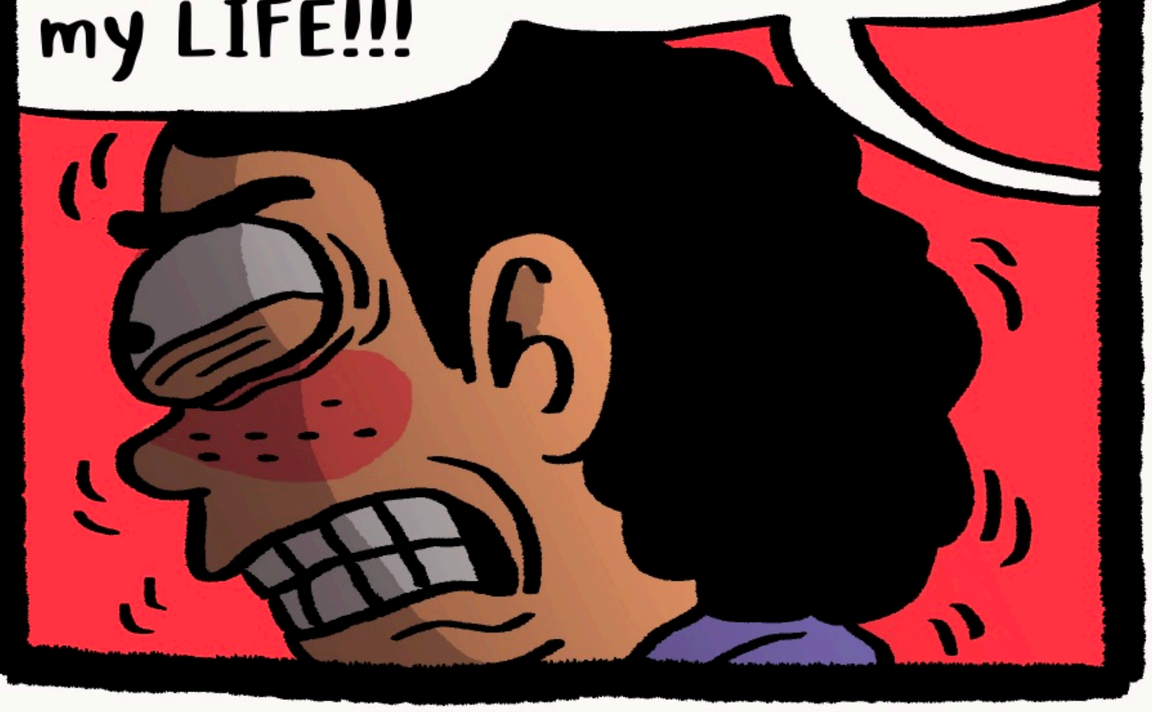
It isn't even Halloween anymore! Why did you have to wear that today?!

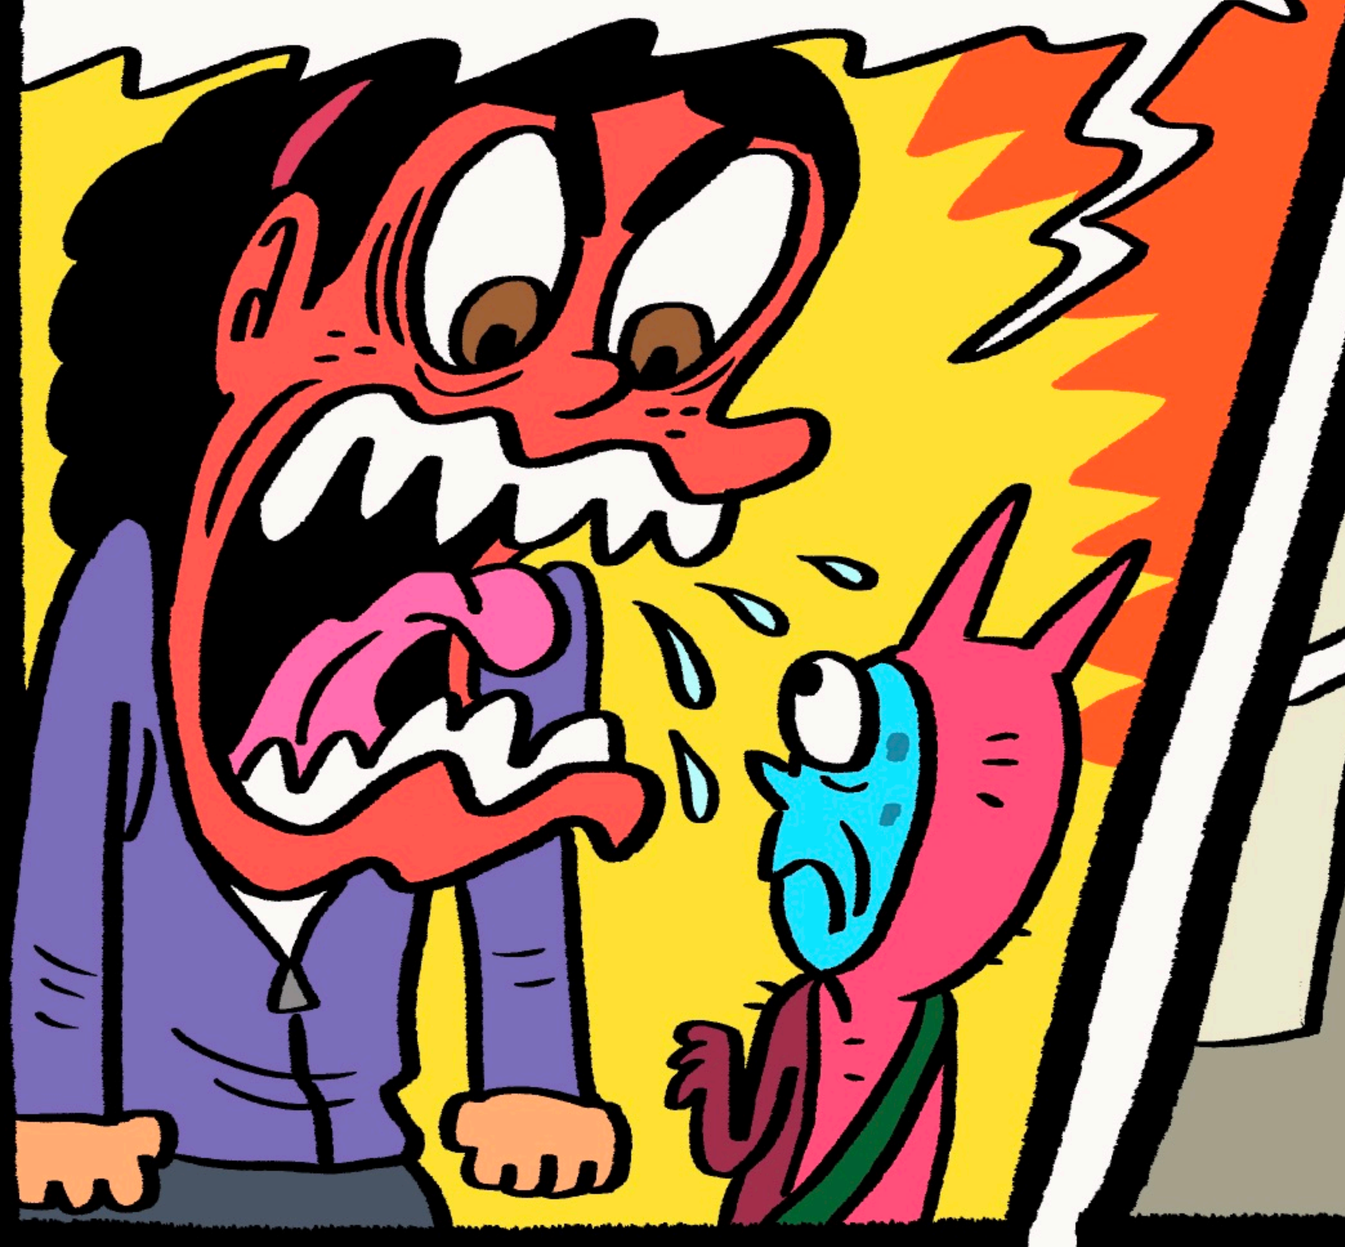
Why NOT?! I don't get why you're being such a jerk about this!!

My grandma constructed this costume based on my detailed instructions, and I think it looks amazing!

Canada is a free country, and I can wear whatever the hell I want! Give me one good reason why I shouldn't wear this every day of my LIFE!!!



BECAUSE YOU LOOK RIDICULOUS!!!!



And every time you do something embarrassing, people don't just make fun of you!!

They make fun of me also because I'm STUPID enough to be your FRIEND!!!

FOR EVERY BOY WHO IS BURDENED WITH THE CONSTANT EXPECTATION OF KNOWING EVERYTHING, THERE IS A GIRL TIRED OF PEOPLE NOT TRUSTING HER INTELLIGENCE. Well, I think we can let you off with a lighter punishment this time.

Needless to say, though, both of us are very disappointed with your conduct.

Yessir...

You're usually so well -behaved, Jenny! Why did you feel the need to lash out at Danny like that?

PRINCIPAL OF THE YEAR AWARD.

B-because PETER said I smell bad!!!

Well, what does poor Danny have to do with what Peter said? Also, it might behoove you to start focussing more on your personal hygiene!

You're at an age where you should be putting on deodrant daily.

I guess so...

Alright, as punishment for hitting Danny, you'll have to attend detention after class tomorrow.

Also, you're banned from wearing that... "costume" at school. Only school appropriate attire from now on! Is that understood?

...Yes.

Okay, go apologize to Danny.

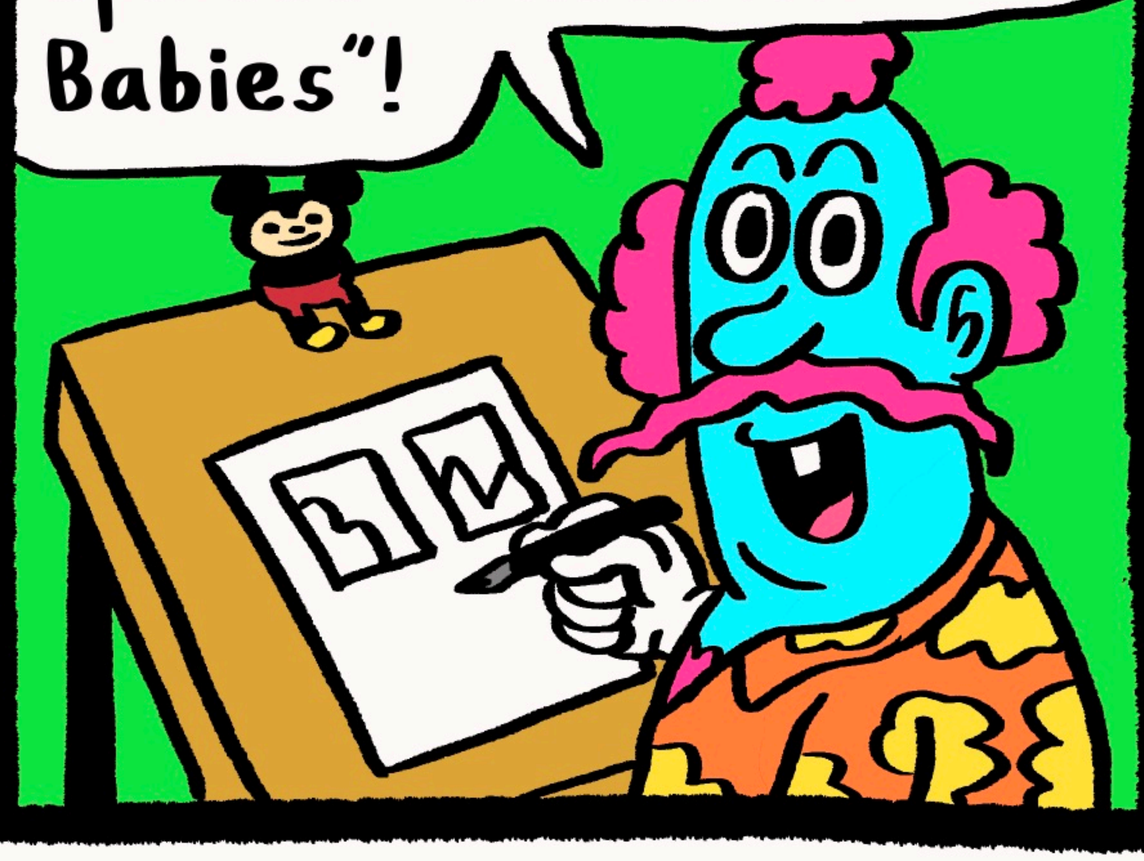
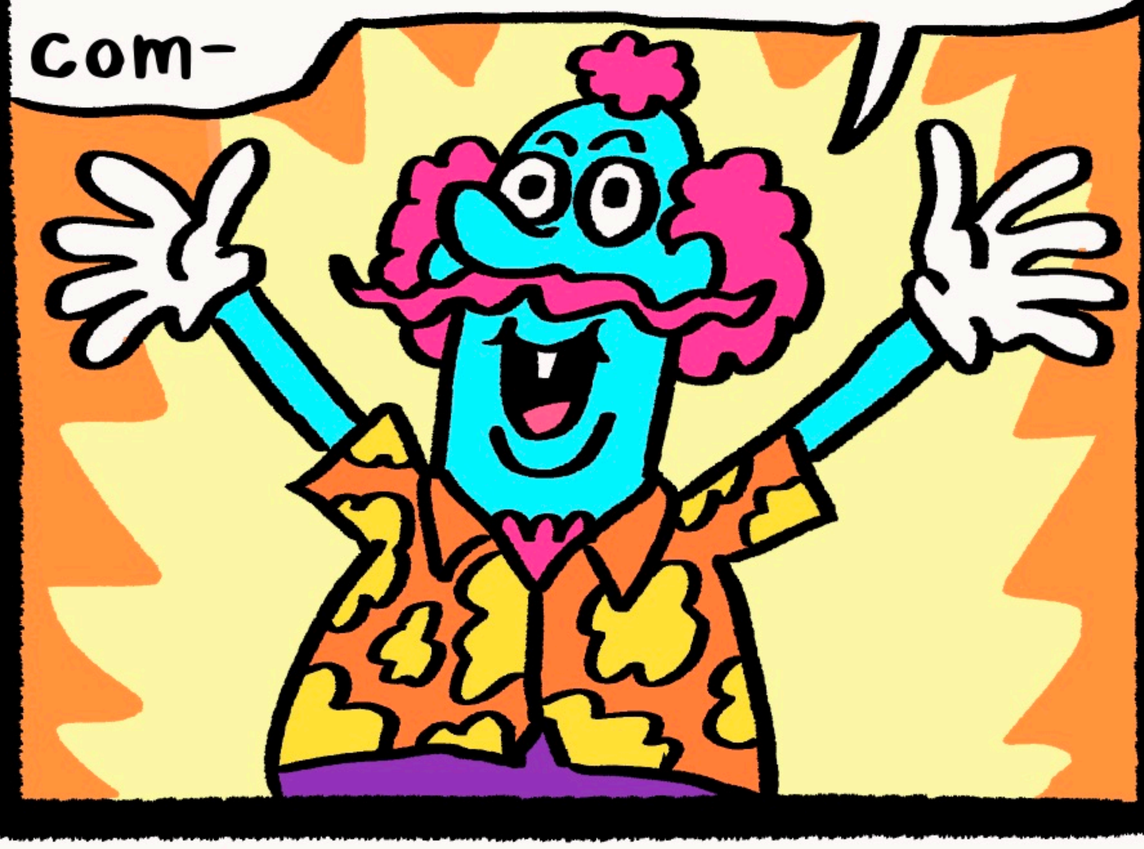
HYUCK HYUCK HYUCK! Hey there, kiddos; it's me, Bob Fulch, the creator of the hit OPV spinoff "Vacation Babies"!



Lemme tell ya, when Raven asked me to make an OPV spinoff, it felt like a dream come true, and I'm really proud of how this series has turned out so far!

I have so many AMAZEBALLS ideas for future Vacation Babies stories! Boy oh boy, I sure do love making this com-



BREAKING NEWS:

Bob Fulch has been arrested for possessing large quantities of cocaine, fentanyl, MDMA, crystal meth, heroin, and 500 terabytes of child pornography. Vacation Babies has been cancelled permanently, and the regular OPV storyline will continue effective immediately. Everything that happened in Vacation Babies is still canon though, except for this comic because I needed a funny way to end this issue, and honestly I'm starting to think maybe this bit makes no sense because I already credited myself as the author of the previous Vacation Baby comics. IDK, I guess you just try stuff out, and sometimes it works, and sometimes it
